

# DOMESTIC MOVING WITH ALLIED VAN LINES

Findlay Moving & Storage has been an Agent for **Allied Van Lines** since 1957. Take advantage of world-class relocation services and benefit from the most sophisticated transportation technology in the industry. From web-based move management to on-line shipment tracking and claims filing, we ensure your employees a successful move every time. Our flexible pricing programs and quality assurance program utilized to receive customer feedback are just some of the value-added benefits you'll get.

You can't help but make the right move with Findlay Allied. Because we know the significance of moving in a family's life, we're glad to provide whatever information and guidance we can as you consider your options. To help you to better understand what we have to offer, we've put together what we call the Allied Advantage: a unique blend of innovative ideas on quality, service, financing and protection options.
